- Look through design magazines and clip photos of styles and layouts that catch your eye.
- Think about a preliminary budget for your project. If necessary, contact your builder/plumber to determine your budget allowances and the impact of going over budget on upgrades.

Investment Allowance: \$ \_\_\_\_\_

- Bring your plans or blueprints to the meeting. For remodeling purposes, a rough sketch is sufficient.
- Bring samples of colors, wall paper, flooring, paint chips and any other items you would like to match.
- Make a list of people you are working with on your project, including the builder, plumber, contractor, etc.
